WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by …

Lewisville High School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by our mission to develop productive citizens prepared for lifelong learning in a changing, diverse, global society. We provide a safe environment where all students can develop world class skills and cultivate life and career characteristics of the Profile of the South Carolina Graduate. To achieve this vision we constantly encourage teamwork, collaboration, and communication between the students, faculty and community.

Our teachers constantly strive to learn new strategies to address all learning styles while using real-world problems. With the district's One-to-One initiative, teachers have been able to provide the students with real time resources and a global perspective outside of our county. All students at Lewisville High School have a tablet for use at home and at school and are expected to use it in every class, every day. Teachers use programs such as Microsoft OneNote and Word as well as online programs, such as Class Flow and Exit Ticket, to enhance student learning. Teachers and students learn new ways to use the technology in the classroom every day.

Various activities such as Army JROTC, Beta Club and Junior Civitans provide students with opportunities to give back to the community. This year, students participated in the American Cancer Society's Relay for Life for Chester County. JROTC helped with logistics while Junior Civitans were responsible for lighting the over 800 luminary candles. The students at LHS participated in a canned food drive in November as well as Angel Tree in December. These are only a few examples of how LHS gives back to the community. Lewisville High School strives to prepare students for the workforce and to become productive citizens. We are very fortunate to have a community involved in its schools to assist us in this endeavor. We continue to work one day at a time to develop our future South Carolina graduates and tomorrow's leaders.
